BDHS POSITIVE BEHAVIOUR EXPECTATIONS

Strive

Do your best.

Considerate

Be caring and mindful of others.

Responsible

Do what is expected and own your actions.

From the Principal

At Boddington DHS we are committed to having a positive approach to the way we educate our students. We have implemented Positive Behaviour Support (PBS) which is a whole school framework that defines, teaches and supports appropriate student behaviours. As a school we have 3 core values which we would like to see students display throughout the school.

They are:

- Considerate – Be caring and mindful of others
- Strive – Do your best
- Responsible – Do what is expected and own your actions

Pictured below is the PBS logo that was designed by students and staff to represent our school expectations and the community in which we live.

The leaves on the tree represent the different elements of our community and school.

The branches of the tree represent our three expectations and that all three branches are needed for the tree to grow strong.

The tree, sitting on the hills of Boddington, reminds us that through working together and learning in a supportive and inclusive environment, all students can learn, grow and succeed.

When students are demonstrating positive behaviour they receive Dojo Reward points. These points build up and students receive rewards for their behaviour. It might be an individual, whole class or whole school reward. Our fourth target this year was 35000 Dojo points and the reward for this was **Choose Your Own Adventure**. For this reward we partnered with the Boddington Youth Centre and all students had the opportunity to choose what they wanted to do at the Foreshore Playground precinct and the Youth Centre. All students enjoyed having fun for this reward! Thank you to the Shire of Boddington and the Youth Centre for supporting us with this reward. Congratulations to all students for their great behaviour! Our next target is 45 000 points and our reward will be a Fluoro Dress Day!
